

The South African Health Products Regulatory Authority (SAHPRA), is the national regulatory authority established in terms of the Medicines and Related Substances Act, 1965 (Act No. 101 of 1965), as amended, to provide for the monitoring, evaluation, regulation, investigation, inspection, registration and control of medicines, scheduled substances, clinical trials and medical devices and related matters in the public interest. SAHPRA also has delegated responsibility for the control of radiation in terms of the Hazardous Substances Act, 1973 (Act 15 of 1973), as amended.
