SAHPRA Online Directory Update

Dear Industry Partner

SAHPRA Online Directory Update

The SAHPRA OTC Online Directory has been operational for some time. As outlined in the OTC Toolkit, it is mandatory to include the required lock-ins on all Schedule 0–2 promotional and advertising materials.

In parallel, the Prescription-Only version of the directory is currently being populated. Please ensure that all relevant products are uploaded to the site by the end of the year. If you have not yet begun this process, please contact Mahlodi Moropa at mahlodi.moropa@sahpra.org.za for CE assistance.

The Rx Toolkit will be published in the coming weeks.

Thank you for your cooperation.
